The Community Leader Award is presented annually by the Center for Great Neighborhoods of Covington to recognize Covington residents who have made significant contributions to their neighborhood or school, and who have not been recognized with a CGN Community Leader Award in the last two years. Receiving this recognition is a way to highlight the accomplishments of the Leader, express gratitude for his/her generous donation of time and talent, and inspire others to become involved in Covington. The awards will be presented at the Center's Annual Meeting in November, 2010. Please help us in this nomination process.
